**LEAN ON ME:**  
10 YEARS AND COUNTING

**10 YEAR ANNIVERSARY SPONSORSHIP REQUEST**

**SHOW WEEKEND: MAY 10-11, 2019**  
**WILSON MIDDLE SCHOOL - NATICK**

Since 2008, Voices of MetroWest, a non-profit choir and 501c3 organization, has been bringing innovative performances to the community. The choir is a rare non-sectarian opportunity for men and women of all ages to learn, prepare and perform in minimum 4-part harmony. Our seasonal concert weekends are high-energy and interactive, and demonstrate the synergistic joy that can result when people from all walks of life come together to sing.

This Spring, we are beyond excited to celebrate our **10 year anniversary!** We now have over 40 members – a far cry from when we began 10 years ago with just 7 singers - and we're bringing a great line-up of "feel-good", community-focused music to the stage in a highly anticipated show featuring sizzling solos, sweet select ensembles and whole-choir power tunes.
